Please Note: Dogs having attained their first AKC Agility Title (Std or JWW) must be moved to the Nov B class (Std or JWW) for all trials for which entries have not closed. If entries have already closed on the date the dog obtained its title, the dog shall remain in the class in which it was originally entered or be moved up in level (i.e. Novice to Open) at the request of the owner; subject to the move-up criteria, except as stated in Chapter 1, Sections 21 regarding Novice A entries. (as stated below)

Section 21 - A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or the handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to a Novice "B" class.

WAIT LIST

Saguaro Scramblers is offering a Wait List to fill openings created by withdrawn entries after the trials closing date. A Maximum of 20 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to Noon November 3, 2017. Any entries withdrawn that are received by noon November 10th, 2017 will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial by noon November 10th, 2017 will receive a full refund.

Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy, other wise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the bottom of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class. When the 2nd or 3rd measurement is completed in the challenge measurement process, the new measurement is effective immediately.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

In the Preferred Classes handlers must jump the height called for and may not jump higher.

Please indicate the dog's handler if the dog is co-owned or the handler is different than the owner. *Returned checks* will be charged a collection fee and will not constitute a valid entry.

Entry fees will not be refunded in the event a dog is absent, disqualified, excused or barred from competition by action of the Trial Committee. Entry fees will not be refunded, if the trial cannot open or be completed due to acts beyond the control of the management.

Entry fees will be refunded for bitches coming into season, or illness or injury (or death) to a dog after the closing date. A refund of \$13.00 per run entered will be made upon receipt of veterinarian certification. Request must be made prior to end of trial and accompanied by the veterinarian certificate at that time.

Exhibitors alone are responsible for the behavior of their dogs and/or children. There will be no refund of entry fees for exhibitors that are asked to leave the trial site due to their dogs or children creating unnecessary disturbances or repeatedly engaging in unsafe behavior.

The judging will start promptly. During the hours of judging, owners are to be on call and have their dogs ready to bring into the judging ring promptly in order that the judging will not be delayed. Dogs need only be present for the judging of their class. Dogs not needed for further judging may be excused.

Exhibitor's confirmation of entry will be *mailed or e-mailed* to the address given on the entry form and should be mailed/e-mailed no later than 7 days prior to the trial. Exhibitors not receiving a confirmation should notify the Trial Secretary.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

except when in the ring or when in the
designated agility warm-up area**

**THERE WILL BE NO SET-UPS ALLOWED PRIOR TO 3:00PM ON
THURSDAY THE 16th, WITH THE EXCEPTION OF SHOW COMMITTEE

premium or any AKC rules or those who fail to follow verbal
instructions by a show committee member may be asked to leave the
show grounds and not allowed to return. NO refunds will be given

Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.
