

Organized Practice at Arthur Pack Park Annex

Arthur Pack Park Annex. Located off Hardy and Thornydale. West on Hardy from Thornydale, on the north side of Hardy. (Follow these directions; not a navigation app!)

Arthur Pack Park Annex has three full size baseball fields. The three fields are enclosed. During part of the season, the Park sometimes installs a 4 foot tall chain link fence that mostly separates the middle field that we use from the east field. The chain link fence is about 10 feet short of completely separating the fields, but attendees can use the snow fencing in the equipment MobileMini to block the 10 foot gap so handlers can practice on the east field while other handlers are running their course.

Parking: along Hardy. There is access to the park from a gate on Hardy, on the east side of the park. You cannot park in the Tortolita Middle School Parking Lot; if the west gate of the park is open, you **cannot** park inside the fence or along that road.

Be prepared to haul any personal/dog stuff the length of a baseball field!

Dates: Check the website (Scramblers.org) for the Sundays we have reserved APP field for organized practice. We do not have every Sunday reserved because some of the Sundays occur when either Scramblers or Desert Dawgs is having a local trial, or we may reassign some of Sundays to special events (like Green Dog Day, an intro trial or videotaped runs for NADAC/USDAA).

Times: For the first few Sundays in the fall, set up starts at 7:30 a.m. Practice begins when all the equipment is set up. Participants must help set up and take down the equipment. We will practice for 60-90 minutes. We will likely shift the time to a little later in the morning, when the weather cools down.

Organized Practice: We will set up a standard type course (i.e. Standard, Grand Prix, Steeplechase). If you want a “do-over” from a trial you have attended, just email Steve (steve@jedidog.com) the course map; although no promises, we will make every effort to set up your proposed “do-over.”

Additionally, if there is a piece of equipment that is not part of one of the courses (i.e. broad jump, NADAC barrel, tire, etc), feel free to pull it out and work on it.

If you have a reactive or unfocused dog, let us know and we can have all handlers crate their dogs to minimize distractions. We want to make your practice as productive as we can.

Fees : Club Member – \$10 for 1st dog, and \$5 for each additional dog, up to 3 dogs per handler.
Non-Member – \$15 for 1st dog, and \$5 for an additional dog
Up to \$5 in scrip or BitBucks.
