

Fall 2019/Spring 2020: Organized Practice at Arthur Pack Park Annex

Arthur Pack Park Annex. Located off Hardy and Thornydale. West on Hardy from Thornydale, on the north side of Hardy. (Follow these directions; not a navigation app!)

Arthur Pack Park Annex has three full size baseball fields. The three fields are enclosed. During part of the season, the Park installs a 4 foot tall chain link fence that mostly separates the middle field that we use from the east field. The chain link fence is about 10 feet short of completely separating the fields, but attendees can use the snow fencing in the equipment MobileMini to block the 10 foot gap so handlers can practice on the east field while other handlers are running their course.

Parking: along Hardy. There is access to the park from a gate on Hardy, on the east side of the park. You cannot park in the Tortolita Middle School Parking Lot; if the west gate of the park is open, you **cannot** park inside the fence or along that road.

Be prepared to haul any personal/dog stuff the length of a baseball field!

Dates: We have reserved APP field for the following dates, however, we have tentatively planned special events for some of these dates, so check the SSAC website, or with Steve (steve@jedidog.com) and/or watch for the weekly email to confirm if that Sunday will be a special event or regular practice.

Sept 15, Sept 22, Oct 6, Oct 13, Nov 3, Nov 10, Nov 24, Dec 1, Dec 22, Jan 5, Jan 19, Feb 9, Feb 23, March 8, April 5, April 12, April 26

Times: For the first few Sundays, set up starts at 7:30 a.m. Practice begins when all the equipment is set up. Participants must help set up and take down the equipment. We will practice for 60-90 minutes. We will likely shift the time to a little later in the morning, when the weather cools down.

Organized Practice: We will set up a standard type course (i.e. Standard, Grand Prix, Steeplechase). If you want a “do-over” from a trial you have attended, just email Steve (steve@jedidog.com) the course map; although no promises, we will make every effort to set up your proposed “do-over.”

Additionally, if there is a piece of equipment that is not part of one of the courses (i.e. broad jump, barrel etc), feel free to pull it out and work on it.

If you have a reactive or unfocused dog, let us know and we can have all handlers crate their dogs to minimize distractions. We want to make your practice as productive as we can.

**Fees : Club Member – \$10 for 1st dog, and \$5 for each additional dog, up to 3 dogs per handler.
Non-Member – \$15 for 1st dog, and \$5 for an additional dog
Up to \$5 in scrip. We will take checks, made out to SSAC.**

STATEMENT OF RESPONSIBILITY AND WAIVER OF LIABILITY**

I, the undersigned, hereby agree to hold Saguaro Scramblers Dog Agility Club Inc., its members, directors and officers, and Pima County (Arthur Pack Park) and/or City of Tucson (Reid Park) harmless from any claim for damage, loss, or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of my dog(s) while participating in any Saguaro Scrambler club sponsored activity. I hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, sustained by any person or persons, including myself or on account of damage to property, arising out of or in consequence of my participation during training.

I understand that agility training is an activity that is held in the presence of other dogs and their owners. I understand that participation in agility training will require some physical activity on my part and on the part of my dog. I also understand that this activity will involve running, jumping, and the use of obstacles such as teeters, A-frames, tunnels, scaling planks, jumps and tires and other obstacles which could result in injury to me, to my dog, or to others.

I represent that I am in good health and my dog is in good health; that my dog(s) is friendly and not a hazard to other persons or dogs; that I will examine the equipment provided for the class, along with the premises, prior to permitting my dog to engage in agility activities, and that I will participate at my own risk.

I also hereby confirm that any dog that I bring to any Saguaro Scramblers Club sponsored activity is current on all vaccinations and has no communicable diseases.

Saguaro Scramblers Agility Club: Field Rules Arthur Pack Park and Reid Park

Saguaro Scramblers Agility Club emphasizes positive training with your dog. Agility is meant to be fun for both the dog and the handler. Positive reward based training helps build a partnership with a dog. Here are the following SSAC rules:

1. Harsh corrections are not allowed
2. Dogs should NOT be on the equipment if the dog and the handler aren't trained. It is OK to skip a piece of equipment on a training course if your dog has not been trained for it..
3. Unless your dog is on course or working an exercise it must be confined to an x-pen or crate or held on a leash. Dogs MAY NOT be tied to fences.
4. Agility is an off leash sport. Therefore it is very important NO dog be out of control or show aggression toward another dog or person.
5. Reliable recall. Your dog MUST be controllable off leash.
6. No nuisance barking since we are in residential neighborhoods.
7. You are responsible for cleaning up after your dog at all times.
8. Females in heat are not allowed on equipment.
9. Observers with leashed and well behaved dogs are welcome.
10. Children under 18 must be supervised by a parent/guardian at all times. Parents are responsible for their children's behavior at all times.
11. Dogs must be a minimum of 15 months old to be on equipment. We will accept dogs under 15 months but an additional release must be signed.
12. No "Flexie" leashes allowed. Long lines are permitted.
13. Electronic Collars (EC) are not allowed at Saguaro Scramblers Agility Club practices unless the member (or non-member) is granted permission by one of the following Trainers **prior** to use:

Denise Evans - evansd1017@aol.com
Mary Anne Coleman - macsditr@yahoo.com

It will be the individual's responsibility who chooses to use the EC to contact one of the

trainers prior to use at one (1) supervised practice. Both Trainers must approve use of the EC. One of the Trainers must be on site while EC is in use 1st time only.

The person in charge of practice has the right to revoke EC use at their own discretion.

Use of EC at AKC, USDAA or NADAC events are governed by that organizations governing rules.

14. Prong collars are allowed at Saguaro Scramblers Agility Club practices and events that are not sanctioned by AKC, USDAA or NADAC. The prong collar is to only be used to get a dog in and out of a ring, or to walk around the grounds. They cannot be used on any dog running an agility course.

15. Electronic Bark Collars or Citronella Collars are allowed at Saguaro Scramblers Agility Club practices and events that are not sanctioned by AKC, USDAA or NADAC. If using a citronella collar it MUST BE UNSCENTED. Handler must ask the person that is orchestrating said practice to determine location of crating the dog, so to not affect another dog with the use of the collar.

ALL CLUB MEMBERS ARE RESPONSIBLE FOR INSURING THE ABOVE SAFETY RULES ARE FOLLOWED
